

In order to meet the needs of our families with four and five year old children, we offer a variety of excellent educational programs for this age group. Through our Childcare, Four year old kindergarten (4K), Junior Kindergarten (JK), and all day Kindergarten Programs, we are confident there is an educational option that will fit each child and his or her family.

The Junior Kindergarten program is designed specifically for young children as a bridge between pre-school and kindergarten. Our program offers the gift of time. A time to prepare for kindergarten, and time to enjoy being a child.

Curriculum:

The JK students are involved in activities designed to meet individual needs, learning styles, and interests. The learning experiences have been created and developed to help them increase their skills in decision making, problem solving, comprehension, and creativity. The curriculum includes:

- *Music
- *Art
- *Physical Education
- *Spanish
- *Computers
- *Phonics
- *Basic number and letter recognition and formation
- *Religion
- *Science

*Social Skills

The development of appropriate and positive social skills encompasses all that we do. They are an essential parts of a student's development academically and personally.

Plus...

If you would like your child to benefit from a full day of learning, MLCS has several options.

1. Junior Kindergarten plus 4K:

The Junior Kindergarten program runs back to back with the 4K program. Your child may enjoy four hours of JK and three hours of 4K, making this a full day of enrichment. Whether your child attends JK in the morning or afternoon, they will participate in a full JK curriculum. The JK students will enjoy art, music, Spanish, physical education, computers, religion, chapel, and more. They will also eat lunch at school.

2. Junior Kindergarten plus 4K and Childcare.

If your child needs care before or after JK, consider the Martin Luther Child Development Center Childcare Program. Your child may attend childcare before or after JK and 4K.

Martin Luther Christian School offers many options. We can help you find one that is just right for your child.

Children Eligible for Junior Kindergarten:

The child must be four or five years old.
