**Personal/Social Goals:**

These goals are the "heart and soul"  
of a good Kindergarten program

- To work and play cooperatively with others.
- To solve problems and conflicts appropriately.
- To actively participate in classroom activities.
- To develop good listening and following direction skills.
- To work independently and to strive to do their best.
- To take care of personal belongings (hanging up book bag and coat, putting away supplies, dressing self for recess)
- To always show respect for self, classmates, and their teachers.
