Welcome to our school's new web site! We hope you find it informative and visit us often. We cherish the opportunity to share information with you about our great school and hope that this site will give you a true feeling about the great things that are happening at MLCS.

Principal's Welcome

Welcome to Martin Luther Christian School. This is going to be an especially exciting year for all of us as we celebrate Martin Luther Christian Schools 30th Anniversary and building consolidation during the 2009-2010 school year.

We are very proud of our Christian community made up of our outstanding students, qualified and dedicated staff of caring professionals, devoted and involved parents, enthusiastic volunteers, and supportive Churches and community members. We are committed to Christian education and to working together to support the love of life long learning and the success of all of our children at MLCS. We rejoice in what God is doing in the lives of our students. The past 30 years have been an amazing journey and it has only just begun!

We have been blessed with the opportunity to consolidate all of our programs: Preschool, 4K – Four-Year-Old Kindergarten, Junior Kindergarten, K-5 Elementary School, and Childcare in one school building during the 2009-2010 school year. We now occupy the former Stoughton School District's Yahara School building. Our Childcare has been expanded to care for children 6 weeks to 12 years and offers before and after school care with MLCS bussing to and from the public schools.

MLCS is committed to providing a quality, Christ-centered education for all of its students. We emphasize academic excellence, Christian values, character, and leadership skills. We hope to build on our continued partnership with parents and the church to prepare our young children, to make a positive and successful impact on their world.

The early years of a child's life lay the foundation for all that follows. This is a time of learning, enthusiasm, and uninhibited wonder. MLCS is a great place for your child to grow academically, socially, and spiritually in a safe, secure, and nurturing environment.

Our teaching staff is dedicated to meeting the needs of the whole child, in an environment and climate that is structure and disciplined, while teaching the Biblical principals of love and forgiveness.

We invite you to become a member of our school family! There are many opportunities for you to serve. We welcome you, should you desire to make a positive difference in the life of a child!

We hope that you enjoy our new school's web site and learn more about our awesome Christian school! www.mlcschool.org
